# PRESIDENT'S MESSAGE

Dr. Siu-Fai Lui, BBS MH JP.

President, IFKF-WKA

Welcome to the second issue of the IFKF-WKA newsletter (April 2021).

The focus around the world is still on COVID-19. There is better news from US and European countries with regard to the vaccination program, but unfortunately many parts of the world are now hit by a new wave with the COVID variant. Our thoughts and our concerns are with the people of these affected nations and, in particular, with the COVID-19 patients and the healthcare staff.

COVID-19 has limited the activities of our foundation members around the world, including our World Kidney Day activities. Nevertheless, it has created a new option to promote World Kidney Day. The International webinar was an excellent example. We have led an international survey on “**What matters to patients**”. It is important for us to engage the patients and to understand what matters to them – physically, psychologically and with regard to their daily lives. We will share with you the reports on the World Kidney Day by our members.

Please take note of the exciting forthcoming events.

Take good care and stay well. SF

Supporting Fund

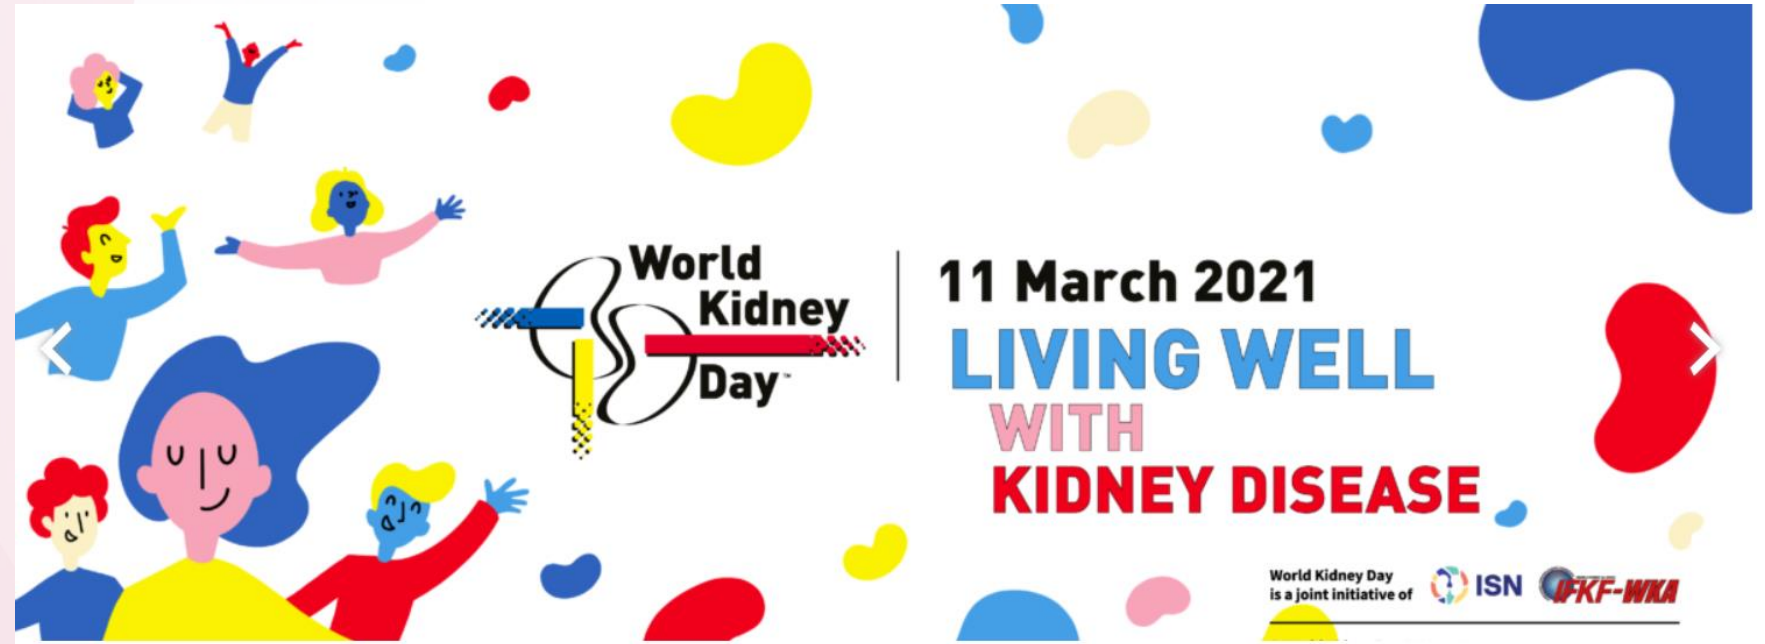

26 March 2021.

## **IFKF-WKA Membership Fee Supporting Fund**

Set up with a donation of US\$5000  
by President Dr. SF Lui.

Purpose: to support organizations with a partial/  
full reduction of the membership fee during the  
COVID-19 pandemic.

Potential new members who are in financial need  
can apply for support.

IFKF-WKA has taken a very active role in the planning and roll out of the WKD 2021.

**World Kidney Day Joint Steering Committee (composed of with ISN and IFKF-WKA members)**

IFKF-WKA representatives to Joint Steering Committee:

- Kamyar Kalantar-Zadeh USA (**Co-chairman**)
- SF Lui, Hong Kong (**Project Director**)
- Latha Kumaraswami, IFKF, India (member)
- Gamal Saadi, IFKF-WKA, Egypt (member)
- Alessandro Balducci, IFKF, Italy (member)

# Bangladesh Events

## KAMPS

- Rally-To mark the Day the Kidney Awareness Monitoring and Prevention Society (KAMPS) brought out a colourful Rally with local people in the capital city in the early morning. Starting from the center point of Tangail, the rally paraded different parts in city and ended at the same place.
- This year KAMPS celebrated the day with Dialysis patients at its every branches by serving tasty and healthy foods and other enjoyments.

## Kidney Foundation Hospital and Research Institute, Bangladesh Awareness Program

All staff of Kidney Foundation wearing cap and t-shirt with world kidney day logo and theme during a group photoshoot prior to the awareness Program

## Awareness program by Kidney Foundation Hospital, Bangladesh

- This year Kidney Foundation has organized a seminar in capital city Dhaka
- All participants were wearing masks, cap and special T-shirt with WKD logo following all precautionary measures

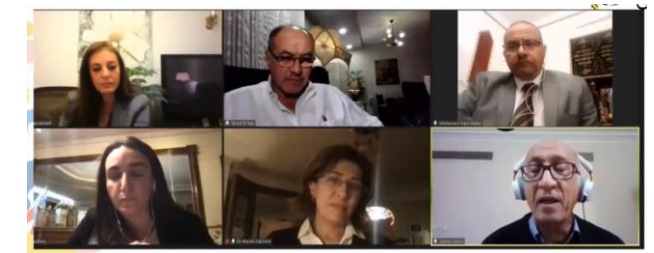

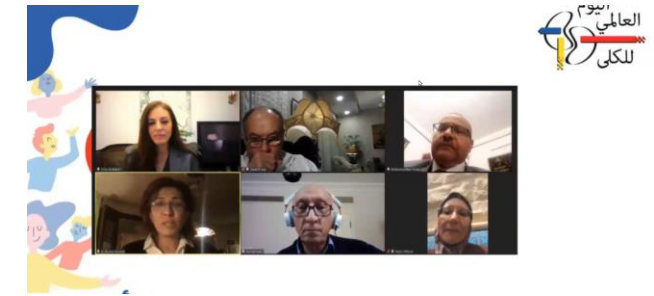

The panel for both seminars were 4 our prominent professors who were all the president of National Kidney Foundation of Egypt through the past years

They all have extended activities, enthusiasm and continuous support for the world kidney day in Egypt over the years since we started in 2006.

- Prof. Gamal Saadi
- Prof. Hany Hafez
- Prof. May HassabAllah
- Prof. Tarek ElBaz

- Living well with kidney disease
- Challenges during Covid-19 pandemic
- Healthy eating
- Staying active and fit
- Coping with stress and depression
