

*helping the underprivileged  
with kidney ailments*

# **Annual Report 2018 - 2019**

## OUR VISION

A world that ensures good healthcare and medical facilities to all.

## OUR MISSION:

To provide quality, affordable treatment to underprivileged people, to create awareness, to detect and prevent kidney ailments.

## Our Goodwill Ambassador

TANKER along with our goodwill ambassador actor Suriya intends to set up subsidized dialysis units in other parts of Tamil Nadu.

TANKER with Actor Suriya's help aims to take kidney disease awareness programmes to schools and colleges all over Tamil Nadu.

## Trustee's Message

Dear TANKER- Friend,

I have a pleasure in presenting the Annual Report for the year 2018-2019. This Annual Report aims at showing you what we have achieved since TANKER'S inception in 1993 and the progress we have made this year.

We have completed **25 years** of service for the underprivileged with kidney ailments. With your help, we have meaningfully contributed to healthcare, research, training and advocacy connected to kidney disease. From June 1993 till **March** this year, TANKER has provided **282,541 free and subsidized dialysis** for **1390 patients**. We have also given financial support of **Rs. 217 Lakhs to 3115 patients** as one-time contributions ranging from Rs. 5,000/- to Rs. 50,000/- for transplantation, medication, investigation and fistula surgery costs.

Our seven subsidized dialysis units have a total of **91** Dialysis Stations situated in Ambattur Rotary Hospital, **Chennai**, Chokkikulam, **Madurai**, RVS College of Nursing, Kannampalayam, **Coimbatore**, Corporation P.H.C, Nungambakkam along with RCME **Chennai**, in **Thiruverkadu** with RCMW **Chennai**, in **Vellore** with RCVF and in Corporation U. P. H. C, **Retteri** along with RCCT, Chennai. We do **3880** dialyses per month, of

which **3855 are free of cost** with valuable help from the **Chief Ministers Comprehensive Health Insurance Scheme (CMCHIS) and other donors**. At present, we help **451 patients** in our units. We also have a dialysis facility at **PIMS, Pondicherry**. In November 2009, we started our **HIV Dialysis Unit** providing dialysis to underprivileged **HIV patients**. This is the first of its kind in India. We also support Kerala Kidney Research Foundation, which provides free and subsidized dialysis at Thiruvalla Medical Mission, SH Hospital, Kottayam and PVS Hospital, Kochi (Kerala). TANKER has set up a new unit in February 2016 in **Imphal, Manipur** along with Catholic Mission Centre Hospital with 4 machines and other equipment to the tune of Rs. 33 Lakhs.

Almost 2.5 lakh people die of kidney failure in India every year. It is the third largest killer after malignancy and heart disease. Along with helping our patients, spreading the word about kidney disease is equally important to TANKER. We have reached out to more than **1.69 lakh** people with the **1104 Awareness Programmes** we conducted at schools, colleges, law enforcement offices and public forums. We have also screened **30,424 individuals** for early detection of kidney disease through our **349 screening camps**. As the field of research in kidney diseases requires more attention and guidance in India, TANKER also gives awards for research in Nephrology and Service to the tune of Rs. 7 lakhs every year.

We cannot achieve all this without the support of our donors and partners. We are very grateful to them for helping us reach out to more underprivileged people.

Thank you,  
Latha A. Kumaraswami  
Managing Trustee

# Annual Awards Program:

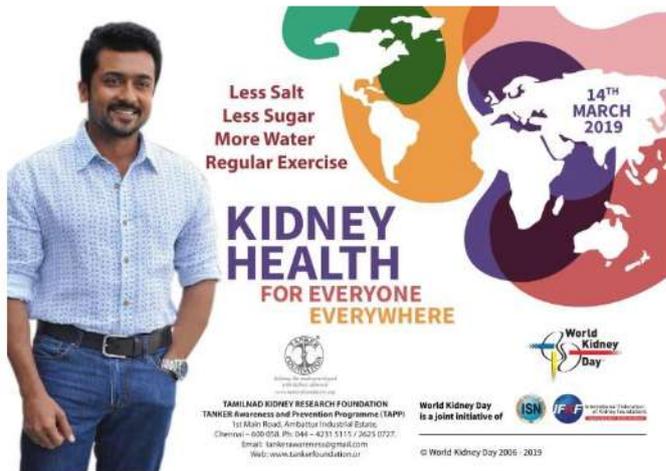

# TANKER Staff Recognition

# **Awareness and Prevention Programme** **13<sup>th</sup> World Kidney Day - 14.03.2019**

**In 2019 The focus of World Kidney Day is on "KIDNEY HEALTH FOR EVERYONE EVERYWHERE"**
