ABOUT US

Tamilnad Kidney Research Foundation (TANKER) is a registered non-profit charitable trust, known regionally and internationally, founded in 1993 by Dr. Georgi Abraham, Prof. of Medicine and Consultant Nephrologist and like-minded people, to reach out to under-privileged patients with kidney disease, irrespective of caste, creed, gender and religion.

OUR OBJECTIVE

To provide quality, affordable treatment to under-privileged patients, to create awareness and prevent kidney ailments and facilitate research. TANKER has completed 33 years of uninterrupted service giving free and subsidized dialysis for patients in need.

TANKER - HIGHLIGHTS :

- 16 centers with more than 280 dialysis machines ; 10 in Chennai and 6 outside Chennai
- 9.04 lakhs dialyses since inception
- About 1000 patients have dialysis in our centres every month.
- Completely free dialysis for those with Chief Minister's Comprehensive Health Insurance Scheme (CMAHIS).
- 13 years working with Greater Chennai Corporation at 7 centres.
- Separate HIV dialysis facility
- Supported dialysis centres in Manipur, Pondicherry, Anaikatti, Andaman, Nilgiris, Kerala, Tanzania and Wayanad.
- We receive financial support from CMCHIS, GCC, Rotary Club, Freemasons, Round Table, MWRT, CSR, Corporates and individual donors.

We have provided Financial assistance to over 5700 patients for their medication, lab test investigations, EPO injections, fistula surgery costs and kidney transplantation.

AWARENESS, EARLY DETECTION SCREENING PROGRAMMES

TANKER Foundation conducts regular awareness programmes to educate the public about the importance of maintaining kidney health, the consequences of kidney disease, and preventive measures to reduce the risk of kidney-related illnesses.

- over 1600 awareness programmes conducted since inception, mainly in schools, colleges, corporate sectors, apartment complexes, government departments and public forums.
- TANKER has reached out to over 2.3 lakh persons and also conducts screening camps at various places to check vital parameters like BP and Blood Sugar. These camps highlight high-risk persons, who are then advised a future course of action.
- over 700 screening camps conducted since inception
- over 54,000 persons screened

KIDNEY DISEASE RESEARCH

TANKER believes in rewarding innovative research in the field of kidney disease. Every year awards are given to doctors and persons who conduct research into Kidney disease, serve the general public unstintingly and make a difference in our lives. The awards amounting to Rs.10 lakhs are given to the awardees in January of each year.

ANNUAL AWARDS

- TANKER Foundation ISOT Young Investigator Award.
- KV George Kottukulam Memorial TANKER and Kerala Kidney Research Foundation Young Investigator Award.
- The Renny Abraham TANKER Foundation Love for Service Award.
- The La Renon TANKER Foundation for the Sake of Honour Award.
- The La Renon TANKER Foundation Lifetime Achievement Award.
- The K. Venkatanarayana TANKER Foundation Awareness Award.
- The Ashok Shankaralingam TANKER Foundation Patients Endowment.

The "Mr. S.V. Venkatesan and Mrs. Malathi Venkatesan Memorial Lecture" is held annually delivered by a person who has faced kidney disease / done research and is inspirational.
